**Paulaner Oktoberfest Marzen**

Paulaner Oktoberfest Bier – a class in itself. Brewed following all the rules of the craft. And since 1810. An amber beer style that was developed over 200 years ago to celebrate the original Oktoberfest. The Märzen name comes from "March beer" because it was historically brewed in March to be at peak flavor for the Oktoberfest celebration. Its clear amber colour, malty taste, with hints of toffee, and its zesty bitterness will instantly turn your own four walls into an Oktoberfest tent.
